Re: Ex Parte Filing
GN Dockets No. 09-51
In the Matter of A National Broadband Plan for Our Future

Ms. Dortch:

Alcatel-Lucent submits the attached slide for consideration in the above entitled docket. Originally, this slide was submitted on January 27, 2010, as part of a filing that requested confidential treatment under the Commission's rules. In subsequent conversations with Mr. Arnab Das of the National Broadband Team, we agreed that the information included in the attached slide would be more beneficial to the Commission's efforts if the confidentiality request for that slide was waived. This waiver is limited to the attached slide only. Alcatel-Lucent's request for confidential treatment for all other material submitted on January 27, 2010, is not impacted by this ex parte.

If you have any questions concerning this filing, please do not hesitate to contact me on 202-312-5901. Thank you.

Sincerely,

Attachment

cc: Arnab Das

SINR distribution: 100% loaded network, omni and directive CPEs with and without fading (SISO is without fading, TX DIV is with fading)
